Revised: October 2017

### **Fees:**

The IACSTE has established fees for both the processing of the applications and for the accreditation status. As in Tier #1, the fees for Tier #2 are based on the country classification system provided by the United Nations.

#### **Option A, COAMFTE Programs, Application Fee**

No fee for COAMFTE accredited programs.

#### **Option A, COAMFTE Program Accreditation Status Fee**     \_(3-year period)

Category I:       \$300

Category II:       \$200

Category III:      \$100

### **Accreditation Approval Options:**

The IACSTE may 1) approve a program, 2) offer a provisional status pending changes or additions to the program, or 3) make programmatic suggestions and request that the program file another application after changes have been made. Provisional status may be granted for 1 or 2 years, with the fee based proportionately on the category fee.
